Sweaty Sue.

I'd love to find out sometime.
Aw, don't be such a tease! You know you're always welcome in my bed any time!
Never gonna happen.
Can't blame a gal for trying.
This... this is me, isn't it.
WHAT? How could you possibly get that idea?
Don't be such a narcissist!

Is this really what you think of me?
Swervy Sue is NOT you!
Why does everyone keep telling me I'm copying real people?
I'm not!
So what is it then?
Sue's a composite of ALL those crazy, oversexed, celebrity bosses everyone... has to...
deal with.

Lena's Net Adventures by Sabrina

"Maybe from TVTropes?"

Lena darling, I need you back here at work right away!
Everything is simply falling apart around here without you!
I'll get there when I can, but but my roommate needs me right now.
Thank you so much! I don't know what I would have done without you!
I'm not sure who needs me most, you, my family, or my boss!
This blog about my comic is terrible! It can't even get the names right.
Her name is Lena! I have no idea where they keep getting 'Mary Sue' from.

Check out Sabrina Online at http://www.sabrina-online.com

"Let's see how long this takes"

I'm not sure the blog has the names wrong.
Well what does it mean by 'Mary Sue' then?
I guess maybe it could be referring to the 'Mary Sue' character type.
but that's usually considered the mark of a bad writer.

I didn't see it at first, but they're right.
I've been retelling my life as a comic strip.
I suppose that means eventually my character Lena will start her own comic strip and retell her own life,
and then SHE'LL wonder if—

It's really difficult to find any good press about my webcomic,
Or most webcomics for that matter.
I must be getting old. I don't know what half of these net slang terms and memes mean anymore.
I can't even tell if the acronyms these guys use are positive or negative.
Unfortunately, I do know what "DIAF" means.
©EWS

Yeesh! These jerks are just plain mean!
This isn't criticism, it's a massacre!
What's up?
Look at all these creeps bashing me and my comic!
When this stuff happened to me, you told me it was no big deal.
This situation is totally different.
How so?
Because it's about ME!

"I'm pretty sure she said 'ducks'."

Would it help any if I told you to calm down?
Oh, shut up.
Look, you know I understand how it feels to get roasted by the trolls.
Uh-huh.
As I recall, you went on a cross-country rampage, terrorizing everyone within range who ticked you off.
How'd that work out for you?
An extraordinarily bad idea, all told, but pretty damn satisfying.
Some day I'll get around to those dicks in Finland.

"Cut and paste your grudges"

Online, they insult you and your life's work in cruel and personal ways, trying to make you feel less than worthless.
but, if you retaliate, or acknowledge them at all, YOU'RE the loser for letting them get to you.
They say the only thing to do is just ignore the haters and let their insults roll off your back.
Didn't take.

"Deconstruction"

So, what did you want to do tonight?
I don't care. Whatever you'd like.
Nah, it doesn't matter.
nothing matters.
I sense you might be losing some of your passion for this work.
©EWS

"Ooh, dark!"

You're quitting the comic? I thought it was your dream!
I thought so too, but I wasn't getting the fulfillment out of it that I'd hoped.
I enjoyed it at first, but as it went on it felt more like I was just enduring punishment for little reward.
Better to quit now while I'm behind.
Hmm, perhaps you're right. You don't want to be one of those people who keep plugging away years after everyone else has stopped caring.

"The end of the end"

So, how are you holding up after all this?
I'm fine
You should remember what I always say. There's no such thing as bad press. It's only bad if they don't talk about you at all.
It's already happened, hasn't it?
You can go now, thank you.

Hi there. I have a question for you.
What is it?
Are you my biggest fan?
What do you mean by that?
You didn't send me an e-mail about the comic strip signed 'your biggest fan'?
Um- no.
I AM your biggest fan though.
That's sweet of you to say.
-just not of your comic.
What?
Nothing.

What's your problem?
I have this strange, empty feeling.
I wasn't working on my comic all that long, but now that it's finished, I feel like I have nothing left to do anymore.
Well, how did you spend your time before?
OK, I had work, shopping and wasting hours and hours on the net.
Couldn't you just get back to that?
Perhaps.
Seems too obvious though, doesn't it?

You sure someone won't hear us?
It's fine. No one's here right now.
©EWS
Did you hear there's a new Transformers game coming?
Yup. It's a good bet Sabrina will bring home toys of the game robots too.
Wow, think of it. It won't be long before we might be playing a game with a toy of the exact same character as the one on the game screen!
Is that different than doing the same thing with a TV show?
It's positively mind-boggling when you consider the possibility!
Maybe, if you're easily boggled.

Hey there Whirlwind.
Been a while.
Hello Zig Zag.
Thanks again for the job, by the way.
You're quite welcome. It's not every day you find someone who enjoys answering studio e-mails all day.
It got way easier after you said I didn't need to reply to the spam.
Well, I won't bother you further. keep up the good work!
Will do. Thanks again.

So you're my 'greatest enemy'?
And your biggest fan.
once.
Look, I appreciate that you're a fan, believe me.
I just wasn't able to keep it running any further.
You wouldn't want me to keep plugging away on something I don't find fulfilling anymore, would you?
I believe I understand.
That's good.
I AM pretty selfish though.

"Hostage negotiations"

So what can I do to make it up to you?
It's very simple.
Just restart the comic and keep it running forever, or at the very least until you die.
Sorry, but that's not an option.
How about five bucks instead?
Puh-lease! I'm a robotic life form. I have no need for money.
©EWS
Ten bucks?
YOINK!
Maybe I'll start reading "Sinfest".

Hey you guys, if you have any dirt on that Sabrina chick, now's a good time to squeeze some cash out of her.
What are you talking about? You can't do that!
Why not?
©EWS
Toys like us can't just go talking to people!
Certainly not to blackmail the one who gave us a home, that's for sure.
But it's — hold it, you're toys?
You're not?

All I heard was that you were hospitalized. What happened exactly?
Remember that time we were surprised by that mugger?
Yeah?
Last night I took that short cut through the alley to go to the parking lot,
and I ran into the same guy.
The guy you sprayed back then?
Yeah. He remembered me too, and he wasn't happy about it at all.
Why would you ever return to such a horrible place if that happened?
It's like, half a block less walking!
It only seems stupid if you start analyzing it.
©EWS

That little crook did this to you?
I just feel foolish for letting it happen.
I should have sprayed the guy, but I got backed into a corner.
Don't you dare blame yourself for what that [redacted] did.
Wait, was it a badger wearing a cap?
Yeah.
I think I know him. He's hassled some of the others around the studio too, but nothing as serious as what happened to you.
I guess that makes you special!
You're lucky I'm on morphine right now. I'd probably find that a lot less funny if I wasn't.
